Pay quartiles by gender

This table shows our workforce divided into four equal-sized groups based on hourly pay rate. Band A includes the lowest-paid 25% of employees (the lower quartile) and band D covers the highest-paid 25% (the upper quartile).

Band	Males	Females	What is included in this band?
A	43.6%	56.4%	All employees whose standard hourly rate is within the lower quartile
B	74.4%	25.6%	All employees whose standard hourly rate is more than the lower quartile but the same or less than the median
C	93.6%	6.4%	All employees whose standard hourly rate is more than the median but the same or less than the upper quartile
D	84.6%	15.4%	All employees whose standard hourly rate is within the upper quartile

Legally, men and women must receive equal pay for:

- the same or broadly similar work;
- work rated as equivalent under a job evaluation scheme; or
- work of equal value.

We are committed to equal opportunities and equal treatment for all employees, regardless of sex, race, religion or belief, age, marriage or civil partnership, pregnancy/maternity, sexual orientation, gender reassignment or disability. We have a clear policy of paying employees equally for the same or equivalent work, regardless of their sex (or anything else listed above).

I confirm that the information in this statement is accurate.
